

Homestead High School Booster Club Membership 2017-2018

What is the Homestead Booster Club?

The Homestead Booster Club supports all Varsity sports as well as the band and publications. In the past 5 years, the Booster Club has donated \$1 million for the installation of the new turf stadium field plus an additional \$500,000 to support HHS athletic programs. These funds have been used to purchase uniforms, team equipment, athletic awards as well as a new pole vault pit, field house chairs, a camera for the HHS publications and so much more. The Club also awards four scholarships annually to graduating student athletes who demonstrate leadership skills and support the club's endeavors.

Please consider joining the Booster Club to make a difference in our student athletes' high school experience.
